

Appeal Procedure:

Please be aware that this appeal procedure does not remove the ban from the server itself or the community. We cannot tell a server/community to remove a ban on you or a suspension. We can only remove it from your record so it does not affect you in the future.

Step 1: Log in to your Regular User Account at www.rpreportingagency.com

Step 2: Go to “My Account” and scroll down to the offense that you want to appeal

Step 3 Click the appeal button for the specific offense and fill out the required fields with as much information as possible.

Step 4: After clicking submit, wait for a response from appeals@rpreportingagency.com

Should take 1-2 business days

Please understand they may ask for more evidence or information to help defend your claim.

You are only allowed to appeal an offense once ! Once an offense appeal has been ruled on, it is final.
